YOUTH
4ICT**

Supporting Female Youth from BiH and MNE in entrepreneurship, employment and leadership in ICT, shortly **FY4ICT** project aims to educate and motivate female youth from Bosnia and Herzegovina and Montenegro to start their careers by fostering entrepreneurial mindset in ICT with the exchange of best practices and non-formal learning mobility with experienced EU partner institutions.

FY4ICT is primary focused on supporting women from Bosnia and Herzegovina and Montenegro in spreading knowledge about entrepreneurship, employment and leadership in ICT and related sectors.

The overall goal of enhancing entrepreneurship capacities and ICT skills and specialized knowledge of female youth in BiH and MNE is expected to be achieved through the following objectives:

- Strengthening entrepreneurship, employment and leadership in ICT among female youth population in BiH and MNE
- Development of core competencies in specialised topics of ICT through new training schemes and ICT enhanced learning approaches
- Creating WB Regional Entrepreneurship Hub of Women in ICT (Women4ICTHub@WB) aimed on providing sustainable grounds of regional support for promotion, education and business support for female youth in ICT in BiH and MNE

Important milestones of the project:

- Established synergy among female youth at WB regional level (BiH and MNE) through joint activities on analysing current situation and cross-matching with best EU practices
- Created innovative training schemes in ICT and entrepreneurship
- Developed and launched new web/mobile application with all contents and learning materials
- Successfully organized workshops
- Increased knowledge in eLeadership, eSkills and specific ICT topics
- Established links at regional and EU level with relevant authorities, youth organisations and associations, businesses and labour market
- Participation of female youth at mobility visits (in Slovenia and Bulgaria)
- Shared practices of youth in female youth businesses in ICT
- Female youth in ICT promoted
- Established WB Regional Entrepreneurship Hub of Women in ICT

Main activities through the project:

- ✓ Analyses of EU best practices and cross-matching with BiH and MNE
- ✓ Workshops:
 - Building entrepreneurial mindset and capabilities
 - Building eLeadership and eSkills
 - Developing specialised ICT skills, knowledge and capacity

- ✓ Inspire and empower Young and Woman to ICT Startup
- ✓ Youth exchange with Slovenia
- ✓ Youth exchange with Bulgaria
- ✓ REGIONAL YOUTH SUMMIT - Women&Girls in BiH and MNE: Go Digital!
- ✓ Establish Regional Entrepreneurship Hub of Women in ICT

FY4ICT will contribute to positive interaction with different inclusion groups, regardless of their ethnicity, (dis)ability, religion, sexuality, skin color, socio-economic background, appearance, educational level, language spoken, etc.
